

Level 0 - Bringing squash experience to life and getting a head start

This is an entry level course designed to provide an insight into the rules, so that participants can have enough knowledge to score and play squash safely. There is no minimum age to take this certified test and any candidate can complete the Level 0 online test.

Candidates will have access to all relevant information and the associated rules required to complete Level 0. The online test allows a candidate to have 3 wrong answers throughout the 15 questions, if more than 3 incorrect answers are given, then the candidate must start again with a freshly generated set of questions

There is no fee associated with Level 0 accreditation and upon successful completion of the test, successful candidates will be sent a Level 0 certificate

Requirements:

1. Must complete the online Level 0 modular coursework
