

Level 4 - Enter the realms of the elite

Officials will work towards developing an excellent understanding of the rules and their application. They will need to show understanding of elite level player movement and play, have excellent presentation and match control skills, display very good composure and body language under stress and show clear communication with players. Level 4 officials require regular refereeing.

The course features online modular course work, periodic online testing, and appraisals.

Completing this online and practical course enables refereeing at appropriate National, PSA and WSF events.

Requirements:

1. Officials must submit an activity log showing at least 30 matches that have been refereed over an annual period. At least 10 matches must include players of the standard as agreed by WSO.
2. Will have completed all appropriate Continuous Professional Development (CPD) modules – including quarterly online testing from the WSO website
3. Must submit at least 4 self-reflection feedback forms per review period (2 years)
4. Will receive a minimum of 2 appraisals annually from 2 different appraisers. Each appraiser will conduct an oral debriefing and documentation of the appraisal which will be upload onto the WSO database
5. Will receive a review every 2 years from the WSO review panel. Feedback using the referee feedback form will be used in this process.
6. Must demonstrate where they contribute to the development of Referees as directed by WSO. This may include courses, workshops, and mentoring.
7. Must be a WSO /Member Nation squash member
8. Must hold a current WSO Level 3 certificate.
9. Will be asked to complete additional mandatory accreditation by WSO (e.g. eyesight and hearing)

Level 4 accreditation is valid for 2 years, after which the official must repeat the modular training and meet the requirements of the practical criteria. The Level 4 registration fee is annual at \$100.

Certification of an official is the responsibility of WSO who will encourage prospective officials to complete the WSO Level 4 requirements.
